# 2022 PROGRAM

# Meetings & Continuing Education

Dear Friends and Colleagues,

Thank you for supporting NCAE. It's a study group run by endodontists for endodontists and we wouldn't be here without your continued patronage. We ask that you continue to support NCAE moving into 2022. Please inform your colleagues to get involved and become new members. It's a great way to connect with friends and fellow colleagues, obtain 3 CE credits per meeting and have a fine dinner at the Olympic Club. We have an exciting lineup for 2022; the topics and presenters are listed in the brochure.

If anyone is interested in becoming a board member, please approach an existing board member for more information. If you are interested in becoming a member, please visit our website [www.ncae.info](http://www.ncae.info), and register online.

Best Wishes,
